

PRIVACY POLICY

Byron Wallet

This Privacy Policy ("Policy") describes our policies regarding the collection, usage, protection and processing of personally identifiable information received from Users ("User", "You") of the <https://byron.network> and its related applications and services ("Wallet", "We", "Our" or "Us").

We encourage you to read our Privacy Policy carefully before using our Wallet.

1. We do not collect any information that may identify You without your permission.
2. We share no personal information with outside providers.
3. All information You supply is encrypted via Secure Socket Layer (SSL) technology.
4. You acknowledge and agree that the Wallet is not liable for any illegal or abusive use of Your information.
5. You acknowledge and agree, that in case You share Your information from the Wallet in social or other networks, or other third-party sites and/or platforms, your information is subject to privacy policies of such third-party resources.
6. You acknowledge and consent that you are aware of keeping your seed phrase secretly. Wallet does not store seed phrase. You acknowledge and agree that you take full responsibility for your seed phrase.
7. In case You are an EU citizen and want to exercise rights enshrined in art. 15 of GDPR, please write Us at contact@byron.network.
8. The wallet may update this Policy at any time. We will notify you on any changes in the announcement in the wallet or on the website.
9. If there are any questions regarding this Policy or feedback related thereto You may contact Us using the contact@byron.network.
